

Step 1:

Select Criteria (Possible criteria include: surface/application/category/location).

The screenshot shows the D&D KM-IT Fixatives Module Search interface. At the top, there is a navigation bar with links for Home, Contribute, About, Contact, and More Modules. A search bar is located in the top right corner. Below the navigation bar, the page title is "D&D Fixatives Module Search". The main search area features two tabs: "Criteria" and "Keyword". Under the "Criteria" tab, there are two dropdown menus. The first dropdown menu, labeled "Criteria", is highlighted with a red box and shows "Surface" selected. The second dropdown menu, labeled "Sub Criteria", shows "Metal" selected. To the right of these dropdowns are buttons for "Display All Products", "Search", and a plus sign (+).

Step 2:

Select appropriate sub criteria (will vary depending on criteria chosen).

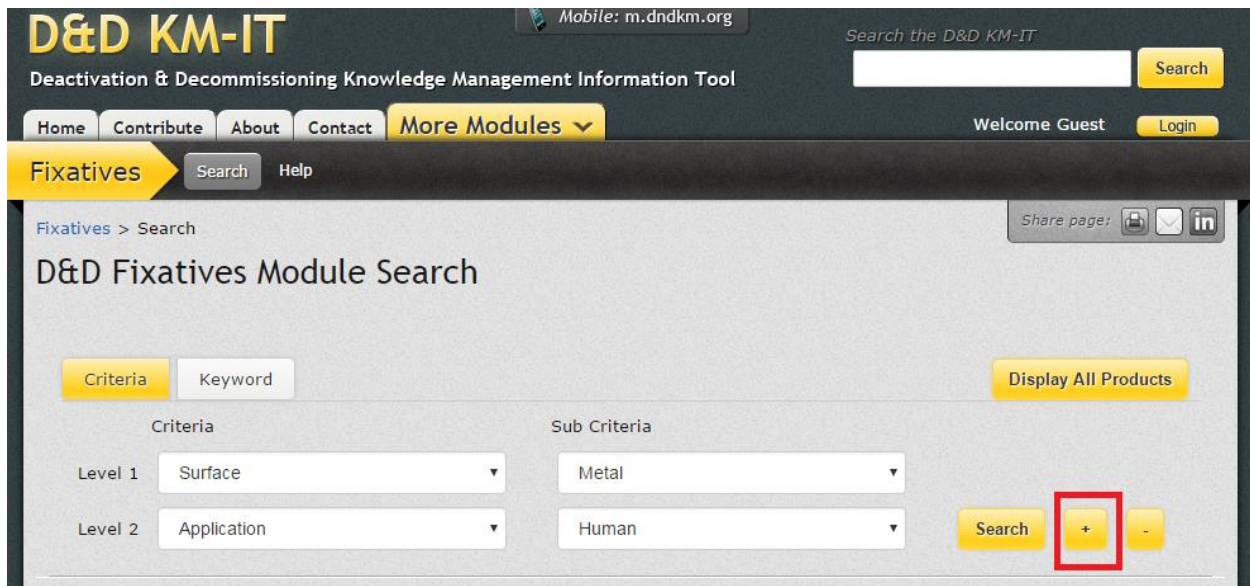

The screenshot shows the D&D KM-IT Fixatives Module Search interface, similar to the first screenshot. In this view, the "Sub Criteria" dropdown menu is highlighted with a red box and shows "Metal" selected. The "Criteria" dropdown menu still shows "Surface" selected. The rest of the interface, including the navigation bar, search bar, and buttons, remains the same.

Step 3:

Click search or the plus sign to add other criteria to the search. Selecting search will show products that fit the one criteria chosen while adding a second criteria will provide results for the products which fit both the first and second criteria.

The screenshot shows the D&D KM-IT Fixatives Module Search interface. At the top, there is a navigation bar with 'Home', 'Contribute', 'About', 'Contact', and 'More Modules'. A search bar is located in the top right corner. Below the navigation bar, the 'Fixatives' section is active, with a 'Search' button and a 'Help' link. The main content area is titled 'D&D Fixatives Module Search' and features a search form with 'Criteria' and 'Keyword' tabs. The 'Criteria' tab is selected, showing 'Level 1' with a dropdown menu set to 'Surface' and 'Sub Criteria' with a dropdown menu set to 'Metal'. A 'Search' button and a '+' button are located to the right of the dropdowns. A 'Display All Products' button is also present. Below the search form, the results are displayed under the heading 'Advance Search Results'. Three products are listed: 'DeconPeel 5201 Halogen Free', 'DeconPeel 2640', and 'DeconKlean 5850'. Each product entry includes a description and a 'Vendor : General Chemical Corp.' label. A red box highlights the 'Search' button and the '+' button. A red bracket on the right side of the results section points to the text 'Results for criteria chosen in model level 1'.
