# TECH TALK ON KM-IT PLATFORM

JANUARY 19, 2021 @ 1-2 PM

## Successful Deployment of Fire-Retardant Fixative at SRS 235

Florida International University (FIU) will be conducting a series of D&D Tech Talks starting on January 19th, 2021 focusing on several D&D topics relevant to the DOE EM Complex. For the first D&D Tech Talks, FIU will collaborate with Savannah River National Laboratory (SRNL) focusing on the successful deployment of the fire-retardant fixative tested by FIU which was recently deployed on site at SRNL.

Join us for this informative talk with leading scientist working on this project. This is a virtual event that will be held at D&D KM-IT platform.
