TECH TALK ON KM-IT PLATFORM

JULY 19, 2022 @ 2-3 PM

Understanding Decontamination (and a dozen other lessons)

Florida International University (FIU) is conducting a series of D&D Tech Talks focusing on several D&D topics relevant to the DOE EM Complex. On July 19, 2022, FIU will feature a Tech Talk from retired Idaho National Laboratory scientist Rick Demmer to discuss how to stop worrying and learn to love engineering.

Join us for this informative session presented by Rick Demmer, a recognized D&D scientist at the national and international level who is lead this effort for 39 years. This virtual event will be held on the KM-IT platform.
